

I am writing on behalf of the Lewis and Clark County LAC to Thank You and the Central Service Area Authority for the generous donation. Please consider the below our formal report to the CSAA.

The LAC donated the money for two endeavors:

- Money has been used by Our Place, our local Drop In Center, to fund open house costs. Money has also been used to buy consumables for Our Place Members (e.g. Coffee and other treats). The open house was a huge success, experiencing about 75 people at the event. On a daily basis, Our Place serves about 45 people on the average.
- Money also went to supporting a Mental Health Month Presentation in the month of May. Dr. Gary Mihelish and Robert MCCabe (VA) both volunteered their time for a community presentation on Wellness and Recovery.

Again, thank you for the funds. The money was extremely helpful.

Thank you,

Eric Bryson, L&C County
